

Sale, sale away -- but get your permit first!

Bargain hunters don't despair, garage sales will still be happening in a neighborhood near you, but only between 8am - 5pm. The Boca Raton City Council recently passed [Ordinance 5470: Garage Sale Permitting & Regulations](#). This new law regulates garage sales in neighborhoods within City limits. Residents must obtain a free permit prior to having a garage sale. The permit limits the hours of the sale and the number of sales a resident can have in a calendar year

These new rules will help ensure that frequent garage sales at the same location don't become disruptive in a neighborhood. The ordinance was proposed by City staff and unanimously passed on [October 10, 2018](#).

Instead of heading into City Hall to fill out a permit, residents can simply fill out a [garage sale permit application](#) **ONLINE** and receive their approved permit by email. Applications will typically be approved by Code Enforcement within 24 hours, Monday - Friday. Once the application is approved, homeowners must comply with the garage sale permitting regulations that can be found on the [City's website](#).

- No more than four permitted garage sales are allowed at the same residence each year.
- Hours of operation: 8:00 am - 5:00 pm
- One sign permitted on the premises.
